**Football, Basketball, Track and Field**

“The Juice” led the Colts to their only playoff appearance, rushing for 784 yards while catching 22 passes for 322 yards and also playing linebacker as a senior in 2008. When quarterback Cody Roberts was injured late in the season, he moved to that position and completed 34-of-70 passes for 352 yards. Juszczyk was a two-time All-American and three-time All-Ivy League selection as a Harvard tight end/H-back, then was chosen in the fourth round of the 2013 NFL Draft by the Baltimore Ravens. Now with the San Francisco 49ers, he’s been named to the Pro Bowl on three occasions.

Morey scored eight points in his varsity basketball career at Highland, but that didn’t prevent him from becoming general manager of the NBA’s Houston Rockets, a position he has held for 12 years. Morey graduated from Northwestern and got his MBA from MIT, then eventually put his analytical knowledge and people skills to work as a member of the Boston Celtics front office. He joined the Rockets in 2006 and took over as GM the following season.

**Tim McQuown**

### Al Thomas Award

From sweeping the courts to mowing the grass to re-gripping rackets, the 62-year-old McQuown has quietly and selflessly devoted thousands of hours to the Medina High boys and girls tennis programs over the past 21 years, all without asking for anything in return. In a practice that began with his late wife Sylvia by his side, he still attends virtually every Medina match, home and away, and has a scholarship set up in her honor. Former Bees player Jamie (Schofield) Hilfer may have said it best: "I hope this award shows him that those he was cheering on were actually his biggest cheerleaders. ... I'm sure Sylvia would be incredibly proud of him and will be looking down watching."

Lucas Walters, Kent Rankin and Ryan Fallow rounded out the lineup for coach Milt Place's squad, which became the second boys team in Medina County history (1999 Brunswick) to win a state title. Medina ran away from second-place Centerville by an impressive 51 points, and all seven starting runners had successful college running careers.
