## The Gazette & The Medina Breakfast Kiwanis Club

### Welcomes you

**The Medina Breakfast Kiwanis Club and The Gazette established the Medina County Sports Hall of Fame in 1985. This is the 34th banquet and induction ceremony.**

**The Hall of Fame honors amateur and professional athletes from Medina County that have excelled in competition, been out of high school for at least 10 years and lived in the county for at least five years. Those inducted will have plaques displayed on our Wall of Fame located in the Medina Community Recreation Center.**

**Athletes who have been selected as members of the All-Gazette teams, the coaches and MVPs of those teams and The Gazette Senior Athletes of the Year are being recognized. The Fall, Winter and Spring Coaches of the Year will be honored, too.**

**Athletes of the year from Special Olympics are also being recognized.**

**We would like to acknowledge the generosity of our sponsoring individuals and companies for this year and the past 34 years. We hope you will enjoy this evening and share in the success of the athletes.**

**George Smiley, President

## **MASTER OF CEREMONIES**

### **Judge Christopher Collier**

Christopher Collier is a judge of the Medina County Common Pleas Court. Collier received his undergraduate degree from Walsh University, which he attended on a soccer scholarship. Chris was the first Walsh College athlete ever drafted by a professional sports team when the Cleveland Cobras drafted him in 1976.

He received his J.D. from the Cleveland-Marshall College of Law.

From 1979 to 1989, he served as a prosecutor, then for 10 years as a defense attorney before his last 20 years as a judge.

He has said more than once that he is “the luckiest man in the world” because he loves his job.

Jurors enjoy serving in court with Judge Collier because he has a unique sense of humor.

We are pleased to have this former University soccer player and now county Judge as Master of Ceremonies tonight for our Induction ceremony and athlete recognition.
